

# COINMACH HONORED FOR LG COMMERCIAL LAUNDRY WORK

The LG Global Customer Conference was held on September 27, 2011 and attended by companies representing LG around the world. Dave Drake, Vice President of Coinmach's ASI Campus Laundry Division and liaison to LG Commercial Laundry, represented Coinmach. The conference was held on Jeju Island, a UNESCO World Natural Heritage site considered to be the most beautiful place in South Korea.

During the awards dinner, LG and Mr. Seong Jin Jo recognized Coinmach with their highest honor, the "LG Global Top Achievement Award," for a successful year distributing and representing LG exclusively in the United States.
