

## **Tony Sculthorpe promoted to Senior Vice President**

Coinmach Service Corporation (CSC) is pleased to announce the promotion of Tony Sculthorpe to Senior Vice President of Appliance Warehouse of America, and Senior Vice President of CSC.

This promotion recognizes the many valuable contributions that Tony has made to our organization's past success, and – more importantly – his continued impact on our future. Tony has been a key member of our organization for the last 14 years. He is responsible for Appliance Warehouse of America's 35 member sales team, and also leads the sales efforts for our successful new venture, Air Valet. In addition, Tony represents Coinmach Corporation as an active participant of the National Apartment Association.
